Reliable Pressings Disclaimer

1. **Liability for content**

   Extreme care was and continues to be exercised in the creation of this website and its content. RELIABLE PRESSINGS makes no guarantee whatsoever that the information provided is up to date, correct, complete or of a particular quality. Claims for liability against RELIABLE PRESSINGS relating to material or immaterial damages resulting from the use or non-use of the information provided or from the use of erroneous or incomplete information are inadmissible unless caused by intentional or gross negligent behaviour on the part of RELIABLE PRESSINGS.

   All offers are subject to alteration and are non-binding. RELIABLE PRESSINGS expressly reserves the right to change, supplement, delete or temporarily or permanently discontinue parts of the pages or the entire website.

2. **References and links**

   In the case of direct or indirect references to third-party websites ("hyperlinks"), which are not within the control nor responsibility of RELIABLE PRESSINGS, an obligation of liability would come into effect only in the case that RELIABLE PRESSINGS is aware of the content and it would be technically possible and feasible for RELIABLE PRESSINGS to prevent use in the case of illegal content.

   RELIABLE PRESSINGS hereby expressly declares that no illegal content was identifiable on the referenced pages at the time the links were created. RELIABLE PRESSINGS has no influence on the current and future design, content or authorship of the linked/referenced pages. Therefore RELIABLE PRESSINGS hereby expressly dissociates itself from all content of all linked/referenced pages that were changed after creation of the links. This declaration applies for all links and references made within the company's own website and for third-party entries in guest books, discussion forums, link directories and mailing lists set up by RELIABLE PRESSINGS, and in all other forms of databases for the content of which external write access is possible. For illegal, erroneous or incomplete content and in particular for damages resulting from the use or non-use of such provided information, the liability lies entirely with the provider of the linked page, and not with the operator of the website who only provides a link to the published content.

3. **Copyright and trademark law**

RELIABLE PRESSINGS strives to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications, to use graphics, sound documents, video sequences and texts created by RELIABLE PRESSINGS itself or to use license-free and creative commons graphics, sound documents, video sequences and texts.

The content and works created on these pages by the website operator are subject to South African copyright law. Reproduction, editing, dissemination and every type of utilization beyond the limits of the copyright law requires the written permission of RELIABLE PRESSINGS. Downloads and copying of this website are permitted only for private and not for commercial use. Insofar as the content of this website was not created by the operator, the third-party copyrights are observed. In particular, third-party content is designated as such. If you nevertheless become aware of a copyright infringement, we ask that you please notify us. In the event of an infringement of rights, such content will be removed without delay.

All brands and trademarks referred to on the website may be protected by third-party rights and are subject without limitation to the stipulations of the respective applicable trademark law and the ownership rights of the respective registered owner. The mere mention of trademarks does not allow the conclusion that they are not protected by third-party rights!

The copyright for published objects created by RELIABLE PRESSINGS itself remains with RELIABLE PRESSINGS. Reproduction or utilization of such graphics, sound documents, video sequences and texts in other electronic or printed publications is not permitted without the express permission of RELIABLE PRESSINGS.

4. **Legal validity of this exclusion of liability**

This exclusion of liability is to be deemed part of the website from which this page was linked to. Insofar as parts or single formulations of this text do not, no longer or do not completely conform to the legal situation, the remaining parts of the document remain unaffected with respect to their content and their validity.
